THE ROLE OF WOMEN IN ENSURING THE STABILITY OF SOCIETY : CREATING AN OBSCENE ATMOSPHERE OF OPPRESSION AND VIOLENCE

On the occasion of "International Women's Day"
October 31, 2025
INFORMATION LETTER

ABOUT THE CONFERENCE

To implement the main tasks set by the Decree of the President of the Republic of Uzbekistan No. **PQ-103** dated **March 14, 2025** on comprehensive support for women, increasing their economic activity and strengthening their social protection, the Tashkent Institute of Irrigation and Agricultural Mechanization Engineers, in cooperation with the “**National Research University**” and the international scientific journal “**Science and Innovation**”, on **October 31, 2025**, we invite you all to the international scientific and practical conference on the topic “**The role of women in ensuring the stability of society : Creating an obscene atmosphere of oppression and violence**”

Venue and time of the conference: October 31, 2025, Tashkent Institute of Irrigation and Agricultural Mechanization Engineers, “National Research University” (in online and offline format).

Deadline for submitting articles: October 20, 2025.

Conference language: Uzbek, Russian, English.

The purpose of the conference: To discuss scientific, practical, and legal approaches to expanding the active participation of women in the socio-economic development of Uzbekistan, strengthening their position in political, social, economic, and cultural life, promoting the principles of gender equality, and creating an environment intolerant of any oppression and violence against women in society.

ORGANIZERS OF THE CONFERENCE

- MINISTRY OF HIGHER EDUCATION, SCIENCE AND INNOVATIONS OF THE REPUBLIC OF UZBEKISTAN
- TASHKENT IRRIGATION AND AGRICULTURAL MECHANIZATION ENGINEERS INSTITUTE “NATIONAL RESEARCH UNIVERSITY”
- SCIENCE AND INNOVATION INTERNATIONAL SCIENTIFIC JOURNAL

SCIENTIFIC DIRECTIONS OF THE CONFERENCE

1. Analysis of the contribution and opportunities of women to socio-economic stability;
2. Study of national and international experiences in gender equality;
3. Protection of the interests of women in the family, labor market, education, and healthcare systems;
4. Strengthening legal mechanisms to combat oppression and violence against women;
